

CARIBBEAN FIESTA CELEBRATION

Event Date: JULY 5th, 2008 (6:00pm)

Fundraiser: Tonight, July 5th we have 3 big events. First and foremost is the fundraiser for Multiple Sclerosis. (MS) is believed to be an autoimmune disease in which the body attacks its own tissue, affecting the central Nervous System. There is no known cure for (MS). Please come to help fight (MS).

100% of your dinner donations and any additional donations will go to Multiple Sclerosis. With faith, hope and funding maybe some day we will conquer this disease. Tonight's proceeds will be donated in honor of Eddy Heaton a member of the family of campers we all belong to.

Caribbean Fiesta: This is a date you surely don't want to miss, July 5th, 6:00pm at the pavilion. Dust off your best looking Hawaiian style shirt and come enjoy an evening guaranteed to be full of fun, great food, laughter, and few traditional Caribbean activities.

For a \$10.00 donation per person you will enjoy a delightful variety of Caribbean style food. Feast your eyes on this mouth-watering display of island food.
